

Dear Principal Sean Tajima

Hi. This is Nam Donghyun, a Principal of Seonhwa Girls' Middle School which have built a sisterhood relationship with Niu Valley Middle School. First, thank you and all of your teachers who welcomed me warmly last week. Also, really appreciate that you accepted us to build this wonderful agreement between Niu Valley and Seonhwa. From the start of this semester on 25th of Aug, a lot of photos of Niu Valley Middle School are being presented on a screen at the main entrance now in Seonhwa including a photo of you and me, and Seonhwa students are getting interested in watching the photos of Niu Valley. Among those photos, I thought this one is the best for us, so I made it bigger for you. Hopefully this photo will make you remind of that moment and Seonhwa. It will be great honored if you remember us with this photo.

I want to say thank you again on behalf of the faculty of Seonhwa. I will look forward to meeting you again next January with my students. I always bless Niu Valley Middle School.

All the best.
